SUMMARY: This memorandum requests that the Authority:

One of the long standing objectives of the South End Urban Renewal Plan is to remove incompatible land use and property uses and especially non-residential uses, from the residential community, so as to improve the residential environment. Section 403 of the South End Urban Renewal Plan provides for the acquisition of properties to meet these objectives.

This property, 722 Tremont Street is operated as a bar.

By general consensus of responsible South End community groups, their continued existence is a blighting influence on a neighborhood which is striving to reinforce its residential qualities through widespread rehabilitation and new housing developments.

This property is incompatible with the surrounding redeveloped uses and are in conflict with South End Renewal Objectives for residential neighborhoods.

Pursuant to Section 403 of the Plan, it is therefore advisable to add the acquisition of 772 Tremont Street to the South End Urban Renewal Plan.

The proposed modification is minor and does not substantially or materially alter or change the Plan. This modification may, therefore, be effected by vote of the Authority, pursuant to Section 1201 of the South End Urban Renewal Plan.

An appropriate Resolution is attached.
